Here's the latest update regarding the National Commercial Agreement (NCA).

YOU'RE IN GOOD COMPANY WITH ACTRA: **Tristan D. Lalla**, award-winning performer from TV's *Nurses* and *Ghosts* and the video game series *Assassin's Creed*, encourages all advertising agencies to follow the lead of Quebec's A2C members by committing to make great ads using professional ACTRA performers under the NCA.

You're in
Good
Company.
