Fran Drescher  
President, SAG-AFTRA

June 5, 2023

Dear Fran,

I am writing to share that ACTRA members across Canada are sending solidarity to their sibling members at SAG-AFTRA as you begin contract negotiations with the Alliance of Motion Picture and Television Producers this week.

ACTRA members will always have your back as you fight for a fair deal in a climate where workers must fight for respect and compensation for the contributions they make on each and every set.

We stand shoulder to shoulder with you in this fight as we understand the unique challenges facing all performers in a digital and streaming world. Protections and benefits for actors must be front and center in the face of record inflation, and the threat AI poses to all our livelihoods in this important industry.

In Solidarity,

Eleanor Noble  
ACTRA National President
